FRATERNAL NEWS

Tuesday night the quarterly meeting of Court Nelson, No. 5504, Ancient Order of Foresters, will be held in Wagns. Charles hall, Fairfield avenue. All members are asked to be present, as officers for the ensuing year will be elected.

POINTS OF INTEREST

One of the most novel, attractive, interesting and instructive window displays ever shown in Bridgeport is now on exhibition in the large show window of the Lyon & Grumman hardware store at Middle street and Fairfield avenue. A large toy elevated railroad operated by electricity and manufactured by the Lyon Manufacturing Company made in Bridgeport and the installation personally supervised by Mr. Lyon, is in actual operation, an electric train stopping at the station, signals being thrown, and bridges being crossed as neatly like, and a railroad practice as it can be possibly be made. Many other toys, engines and other mechanical toys are shown to a splendid advantage and attract both the "kiddies" and the grown-ups as well. The stock of gifts practical and useful carried by this well known store surpasses anything it has evr attempted before.
